A photograph of a park on a rainy day. In the foreground, there is a large, dark green tree on the left and another smaller tree on the right. The ground is wet, and there are some pink flowers in the bottom right corner. In the background, there are several houses with red roofs and some cars parked. The sky is overcast and grey, and there are many white raindrops falling throughout the scene.

Den 15. august  
dagen for  
indvielsen af  
Løveparken  
startede med  
øsende regn

Det var  
faktisk uvejr

Men så kom  
solen - og  
beboerne

A group of people are gathered outdoors in front of a red house with white window frames. In the foreground, two women are smiling. The woman on the left has curly brown hair, wears glasses, a necklace, and a patterned sleeveless top with a white jacket draped over her shoulder. The woman on the right has straight blonde hair, wears a necklace, and a pink and white striped tank top. In the background, other people are visible, including a man in a cap and sunglasses and a woman in a red shirt. A dark car is parked behind a hedge.

Og der  
kom flere

og flere ..

Og flere ....

Og til sidst var vi  
mange ...

Rigtigt mange der var klar til indvielsen af Løveparken

Helt klar ...

Og det var rådmand Jane Jegind  
og vores formand  
Kirsten Larsen også

Der  
blev  
holdt  
taler

Også af anlægsgartner Maria Sangill,  
som havde stået for opbygningen af  
Løveparken

A photograph of two men under a tent. The man on the left is wearing a blue polo shirt and a black apron, looking towards the man on the right. The man on the right is wearing a blue and white plaid shirt and glasses, holding a banana and a small plate of food. The tent has a blue valance and arched windows. A blue gas cylinder is visible on the right side of the frame.

Og så  
var der  
pølser  
og fadøl

Og hygge og snak på  
Løveparkens nye plæne
